

Firm Profile

Founded in 1932 with headquarters in Salina, Kansas, Kennedy and Coe, LLC, has grown to become one of the top accounting and consulting firms in the Midwest, ranking nationally as a Top 100 firm. Employing more than 200 professionals, Kennedy and Coe provides services to clients nationally from its offices in Kansas and Colorado, offering a “hands on” approach to business that deeply reflects its Midwestern roots.

At Kennedy and Coe, our goal is to enhance the well-being of our clients, as they define it. As a result, our service offerings have grown significantly over the years as we have expanded into new areas, always keeping our clients’ success and goals firmly in mind.

As a firm, we are focused on our clients. We listen and work hard to understand their priorities, then respond to those priorities by making their goals our own. Where other firms might utilize cookie-cutter solutions across all industries, we take an active interest in all of the industries we serve, building an unparalleled base of knowledge from which to draw on our clients’ behalf. We’ve created thousands of case studies enabling us to share that knowledge throughout the firm, so that no matter what type of challenges our clients face, we have the capability to respond in a knowledgeable fashion.

Some of the industries we serve include:

- Agriculture
- Biofuels
- Construction
